

Heavy Duty Hydraulic Utility Cranes

Lift confidently with Tronair cranes

Standard Features:

- Safety fuse prevents the load from dropping in the event of a hydraulic failure
- Heavy duty base and frame provide required counterweight for safe lifting
- Anti-slip mats are placed on all walking surfaces
- 2 in (5 cm) boom adjustment increments with seven (7) positions
- Conveniently located controls with hardware and connection points to easily add field options
- Heavy duty load bearing wheels in front and swivel casters in rear for easy maneuvering under load
- Manual floor lock to prevent crane movement
- Designed to provide maximum work space
- Can be used with Tronair engine slings
- Finish: Durable Powder Coat Tronair Blue

Accessories:

- K-2012** - Gooseneck Boom Kit
- K-2013** - Airpump Kit
- K-2953** - Heavy Duty Hand Winch Kit
